Attorney Docket Number: 82001-0397	:	
Title of Invention: Configurable Pricing	:

This is in response to the renewed petition under 37 CFR 1.47(a) filed February 17, 2005 and supplemented March 4, 2005. The petition is properly treated as a petition under 37 CFR 1.47 and a petition for waiver under 37 CFR 1.183 of requirement for supplemental Declaration under 37 CFR 1.67 filed May 27, 2005.

The petition under 37 CFR 1.47(a) is GRANTED.
The petition under 37 CFR 1.183 is GRANTED.

Petition under 37 CFR 1.47

Petitioner has shown that the non-signing inventors Boyd, Guardino and Balepur have refused to join in the filing of the above-identified application after having been presented with the application papers. The petition and evidence presented shows that correspondence sent to the non-signing inventors was received and the non-signing inventors refuse to execute the application papers.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

Petition under 37 CFR 1.183

Once an oath or declaration has been executed by an inventor the provisions of 37 CFR 1.47 no longer apply. Rather the remedy for treating an inventor's refusal to sign a supplemental declaration is waiver of 37 CFR 1.67. See MPEP 603. Nevertheless, it is appropriate to apply the principles of 37 CFR 1.47 thereof to the situation at hand. All available joint inventor(s) must sign the supplemental declaration on behalf of themselves, if appropriate and on behalf of the non-signing inventor. See MPEP 409.03(a).

On petition, applicants have set forth the steps taken to obtain Schwarz, Apps and Monteiro signature on the supplemental declaration. Applicants have shown that a *bona fide* effort was made to present the supplemental declaration and supporting documentation to the inventors (Schwarz, Apps and Monteiro) for signature and that by her conduct, inventors have refused to execute the declaration. Under the circumstances, it is concluded that petitioner has demonstrated that this is an extraordinary situation requiring waiver of the rules.

This application does not have any Rule 1.47(a) status as to inventors Schwarz, Apps, Monteiro.

Petitioner has submitted a \$200.00 petition fee. The current petition fee is \$400.00. Pursuant to petitioner's request deposit account 50-1349 will be charged the \$200 difference towards the \$400.00 petition fee.

This application is being forwarded to the Office of Initial Patent Examination for further processing.

Telephone inquiries related to this decision may be directed to the undersigned at (571) 272-3215.
